INSPIRATION

灵感

The design is inspired by classic travertine, using stone as the source to reshape classics, integrating European classical aesthetics and natural gifts, making classics become classics.

Like the mottled time stamps on an ancient castle, or like the twinkling stars light years away, the fine spots and natural low light accompany each other gently, with a long aftertaste. The closer you look, the more extraordinary it becomes.

设计灵感源于经典洞石，以石为源，重塑经典，凝合欧洲的古典美学与自然馈赠，让古典成为经典。

犹如古堡上斑驳的时间印记，又似光年之外的闪烁星光，细碎斑点与自然低光，温柔相伴，余韵悠长，越细看，越显不凡。
